IV INFUSION THERAPY

At Amanda Aesthetics, our IV Therapy services are designed to enhance your overall wellness by providing essential nutrients directly into your bloodstream for fast and effective absorption. Whether you're looking to boost energy, improve hydration, or support your immune system, our personalized IV treatments offer a quick and efficient way to rejuvenate and restore balance to your body.

1 REVITALUXE PERFORMANCE

\$185

A premium IV drip designed to enhance athletic performance, reduce recovery time, and replenish essential nutrients. Packed with amino acids, B vitamins, and antioxidants, it supports muscle recovery, reduces inflammation, and boosts overall wellness.

2 GLOW LUXE

\$185

An IV treatment designed to hydrate and fortify hair, skin, and nails, reduce wrinkles, and promote a natural, youthful glow from the inside out.

3 LEAN & LUXE

\$175

An energizing IV infusion that helps burn fat, boost metabolism, enhance athletic performance, and improve mood, all while converting fat into energy and supporting overall health.

4 IMMUNILUXE

\$175

An immune-boosting IV therapy that strengthens your body's defenses, shortens recovery time, and helps prevent illness, leaving you feeling healthier and revitalized.

5 NAD+

\$350

A luxurious, rejuvenating IV therapy designed to enhance energy, mental clarity, and athletic performance, while restoring vitality and promoting a more youthful, vibrant you.

IM SHOT THERAPY

Amanda Aesthetics offers a range of IM (Intramuscular) Shots that deliver powerful nutrients directly into your muscles for optimal absorption and immediate benefits. These targeted injections provide support for a variety of wellness needs, helping to enhance energy, improve metabolism, and promote overall vitality. Experience the benefits of a quick, effective solution for your health and well-being.

1 B12

\$35

Elevate your energy, boost focus, and support healthy nerve function with the Methylcobalamin (B12) IM Shot. Perfect for those experiencing fatigue, memory issues, or B12 deficiency, this shot promotes overall wellness and revitalization!

2 GLOW LUXE

\$60

Boost your body's natural defenses and unlock glowing skin with our Glutathione shot. This powerful antioxidant promotes detoxification, supports immune health, and helps rejuvenate your complexion. Perfect for enhancing overall wellness and skin radiance!

3 LEAN & LUXE

\$60

A powerful, fat-burning IM shot designed to enhance metabolism, boost energy, and support weight loss with key ingredients like B6, Methionine, Choline, and Carnitine. Perfect for accelerating your fitness journey and feeling your best!

4 IMMUNILUXE

\$65

Elevate your immune health with our Tri-Immune Boost shot, combining the power of Glutathione, Zinc, and Vitamin C for triple-action defense. This potent blend helps fight infections, enhance immunity, and promote overall wellness! Perfect for strengthening your immune system year-round.

5 NAD+

\$90

Rejuvenate your mind and body with the NAD+ IM Shot, designed to boost energy, improve mental clarity, and enhance athletic performance. Combat fatigue, sharpen focus, and elevate your overall vitality! Perfect for those seeking to revitalize and boost wellness.
